IQRA NATIONAL UNIVERSITY, PESHAWAR
MEMORANDUM OF UNDERSTANDING

Between Iqra National University and Aquafina, Pakistan

Cooperation on Preventing Water System Pollution

1. Parties

This Memorandum of Understanding (MoU) is entered into between Iqra National University (INU), Peshawar, and Aquafina, Pakistan, collectively referred to as the "Parties."

2. Purpose

The purpose of this MoU is to establish cooperation for preventing polluted water, chemicals, oils, waste and other contaminants from entering the University's water-supply, drainage and wastewater systems, including pollution arising from accidental spills or incidents on campus.

3. Areas of Cooperation

- Identify potential sources and pathways of water pollution on campus.
- Develop practical procedures for preventing pollutants from entering drains and water systems.
- Support safe handling, storage and disposal of chemicals, oils and other potentially harmful materials.
- Conduct awareness and training activities for relevant University staff and students.
- Share technical guidance and good practices for water-quality protection.
- Support appropriate response to accidental spills, leaks and other pollution incidents.

4. Responsibilities

INU will identify pollution risks, maintain incident-reporting and response procedures, and nominate a focal person for coordination. Aquafina may provide technical guidance, awareness support and relevant good practices, subject to its capacity and internal approvals.

5. Incident Response

In the event of a spill, leak or other incident that may contaminate the water system, INU will take reasonable immediate measures to isolate the source, prevent pollutants from entering drains or water systems, report the incident and arrange appropriate containment and cleanup. Aquafina may provide technical guidance upon request.

6. Coordination and Duration

Each Party will nominate a focal person. The MoU will remain effective for three (3) years from the date of signing and may be renewed by mutual written agreement.

7. Financial Arrangements

This MoU does not create an automatic financial obligation for either Party. Any activity requiring funding will be agreed separately in writing.

8. Signatures

For Iqra National University, Peshawar	For Aquafina, Pakistan
